How old do you need to be to learn how to make animal balloons at your birthday party? _____.

Clown Connection, LLP Balloon Policy

For safety reasons, we do not make balloon sculptures for children under 3 years of age; however, we will make balloon sculptures for the parents/guardians of children at their request. All children with balloons need to be watched to make sure that they do not "chew" on the balloon or pop it with their mouth. Balloons are NOT teething toys! Injury or death can result. **THIS IS A SERIOUS MATTER!**

Clown Connection, LLP Face Paints

The face paints used by Clown Connection, LLP are water based hypo-allergenic professional paints designed especially for use on faces. Paint washes off easily with soap and water.
